APWU/USPS-1 When the United States Postal Service was formed after the Postal Reorganization Act was enacted, what service provided the "most expeditious handling and transportation afforded mail matter by the Postal Service"?

APWU/USPS-2 Referring to page one of the Postal Service's Request for a Recommended Decision, what "new data and analysis obtained since the last rate case" indicates that eliminating Special Delivery Service will "better meet customer needs and reflect costs and customer demands"? Please provide copies of all such data and any such analysis.
